

PROVEN PERFORMER

Vended Laundry

SWNNX2 (top loading washer, electronic control) SDENXR (electric heat dryer), SDGNXR (gas heat dryer)

Top loading washer features

- 710 rpm spin speed among the highest in the industry
- Curved four-vane agitator delivers an industry-best 210° stroke
- Exclusive stainless steel tub with a lifetime warranty helps protect against pulls, snags or frayed clothes
- Fast cycle times
- Commercial all metal transmission offers highest quality and durability
- Single slot electronic multi denomination coin drop for versatility and accuracy
- Digital display with countdown

Dryer features

- Durable galvanized steel cylinder with an extra-large 198 litres of volume
- Efficient dryer heating with 27 MJ (gas models) and up to 4,000 Watts (electric models)
- Extended Tumble helps eliminate wrinkling by tumbling for two minutes at 20 minute intervals if the dryer door isn't opened decreasing fire risk
- Quiet, efficient blower system uses a superior airflow of 5100 litres per minute for fast efficient drying
- 1913.8 sq. cm door opening is the largest in the industry, providing easy loading and unloading for customers
- · Large capacity, full load from washer
- Reversible door

· Credit Card Activation

Controls

Quantum™ Gold

In addition to its network capabilities and remote off-site management features, Quantum™ Gold offers additional owner and customer benefits such as PC programming and machine audit capabilities, as well as time-of-day pricing, a "lucky cycle" for loyal customers and the ability to interface with the store owner's payment systems. Cycle modifier keys create additional profit opportunities for store owners.

NOTE: Gas models cannot be vented out left side of cabinet because of burner housing.

IMPORTANT: The dryer should have sufficient clearance around it for needed ventilations and for the ease of installation and servicing. For maximum drying performance, we recommend that more clearance be allowed around the dryer than the clearances that are listed here.

All measurements are in mm. *With levelling legs turned into base. ¹Coin Slide models. ²Electronic Control models. NOTE: Exhaust openings are 102 mm metal ducting.
